## **JEDCO Membership Renewal**

JEDCO members and prospective members will soon be receiving requests to continue investing in our economic development activities. We are excited about the prospects ahead, and plans are underway for a great 2009! Thank you for supporting JEDCO.

### **Tour 2008 A Success!**

The development tour of Johnston and Grimes was held on October 15, 2008. There were many new participants, and the event showcased a record number of new development sites and buildings. Please look for announcements about the 2009 Calendar of Events soon.

## **Community Assessment Survey**

What Kind of Community Do You Want? The Johnston Chamber and JEDCO are working with the Johnston Community School District, City of Johnston and the Johnston Partnership for a Healthy Community to conduct a community survey. All community members are asked to take a few minutes to complete the questionnaire. A link to the survey has been posted on the JEDCO and Johnston Chamber websites at [www.growjohnston.com](http://www.growjohnston.com) and [www.johnstonchamber.com](http://www.johnstonchamber.com). If you know someone who doesn't have access to a computer, hard copies of the survey are available at Johnston City Hall, the Johnston Administrative Resource Center or the Johnston Public Library. The deadline for completing the survey is November 21, 2008.

Click [here](#) to begin survey now.

## **Commercial Architecture**

JEDCO continues to seek input from commercial developers and materials suppliers concerning Johnston ordinances for architectural standards. If you have information you would like to share about brick, stone or similar products that might be appropriate for our key business corridors, please [contact us](#) as soon as possible. We look forward to hearing from you.
